Adult & Teen Challenge / Life Challenge Ministries provides hope, healing and help for men and women struggling with addiction. Its main facility has been operating in northwest Detroit for 56 years, with a campus in Flint (men only).

ATC/LCM is a 501(c)3 non-profit, Christ-centered residential recovery program which offers affordable, accessible help with proven positive results. There is no waiting list and no medical insurance is required.

Our highly-structured residential program emphasizes recovery in community, and is designed to help broken people turn from their self-destructive ways and become mentally sound, emotionally balanced, socially adjusted, physically well and spiritually alive, returning to their families and communities as productive members of society.
