INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors
Life Challenge of Southeastern MI
17667 Pierson
Detroit, MI 48219

We have reviewed the accompanying financial statements of Life Challenge of Southeastern MI (a nonprofit organization), which comprise the statements of financial position as of December 31, 2020, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Other Matter

The accompanying statement of functional expenses is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying

Richard J. Boyse, CPA, PC

accounting and other records used to prepare the financial statements. The supplementary information has been subjected to the review procedures applied in our review of the basic financial statements. We are not aware of any material modifications that should be made to the supplementary information. We have not audited the supplementary information and do not express an opinion on such information.

Life Challenge of Southeastern MI
Notes to Financial Statements
December 31, 2020

Nature of Activities and Significant Accounting Policies

Nature of Activities

Life Challenge of Southeastern Michigan ("the Organization") is a one-year Christian-growth program providing residential care for men and women with alcohol, drug, and other life controlling problems. The accompanying financial statements have been prepared on the cash basis of accounting.

Financial Statement Presentation

According to Accounting Standards Update (ASU) 2016-14, Presentation of Financial Statements of Not-For-Profit Entities, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

The net assets of the Organization are classified accordingly depending on the presence and characteristics of donor-imposed restrictions limiting the Organization's ability to use or dispose of contributed assets or the economic benefits embodied in those assets.

Contributions

Under SFAS No. 116, Accounting for Contributions Received and Contributions Made, contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions depending on the absence or existence of any donor restrictions.

Donor Restrictions on Net Assets

Net Assets with donor restrictions as of December 31, 2020 relate to funds that have been contributed for the establishment of an Education Fund for the Organization, and two separate funds for the Flint Garage and the Grand River Women's Center. The original principal of the Education Fund (\$20,000) is to be held indefinitely. The earnings and appreciation of the Fund may only be used for the intended purpose of the fund. As of December 31, 2020, the balance in the donor-restricted Educational Fund is \$124,021.08, the balance of the Flint Garage Fund is \$1,500, the balance of the Women's Center Fund is \$23,192.50, there was \$36,146.94 in remaining funds from an FCC grant, and \$11,454.44 was restricted for various other purposes. Therefore, the total balance of the donor-restricted net assets as of December 31, 2020 is \$178,469.11.

Contributed Materials and Services

The Organization received donations of food, clothing & household goods, vehicles, and publicly traded securities during the year ended December 31, 2020. All of these have been recorded as gifts-in-kind. The value of the food was determined by the donor's cost. The value of the clothing and household goods was determined by their resale value. The value of vehicles was determined by private party Blue Book. The value of publicly-traded securities was determined using the stock exchange value on the day of donation. Additionally, many individuals volunteer their time providing services to assist the Organization, but due to a lack of an objective basis to value these services, they have not been recorded and their value is not disclosed.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Investments

Under SFAS No. 124, Accounting for Certain Investments Held by Not-for-Profit Organizations, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by passage of time or use) in the reporting period in which the income and gains are recognized. Investments as of December 31, 2020 consist of cash held with the investment services provider, corporate stock, mutual funds, and exchange-traded funds. They are stated at their quoted fair market values as of December 31, 2020.

Life Challenge of Southeastern MI
Notes to Financial Statements
December 31, 2020

Functional Allocation Expenses

The costs of providing program, general and administrative, and fundraising services have been reported on a functional basis in the statements of activities. Costs have been allocated between program, general and administrative, and fundraising using estimates determined by management. Although the methods of allocation used are considered appropriate, other methods could be used that would produce different results.

Tax Status

The Organization is a not-for-profit organization exempt from income taxes under Section 501(c)(3) of the United States Internal Revenue Code and is classified by the Internal Revenue Service as other than a private foundation. Although the Organization is granted income tax exemption by the Internal Revenue Service, such exemption does not apply to "unrelated business taxable income" (UBTI). For the year ended December 31, 2020, management has determined that the Organization did not have UBTI, accordingly, no income tax provision is reflected in these financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Property and Equipment

Buildings, equipment, furniture, and transportation equipment are recorded at cost when purchased. Donations of property and equipment are recorded as support at their estimated fair value and are reported as support without restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restriction. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets. Depreciation expense for the year ended December 31, 2020 is \$57,719.00.

Subsequent Events

In preparing these financial statements, management has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to December 31, 2020, the most recent statement of financial position presented herein, through October 12, 2021, the date these financial statements were available to be issued. No such significant events or transactions were identified.
